2027 5K Race & Fun Walk

Join us for our 3rd Annual Uniquely Autism 5K Run/Walk—a family-friendly, inclusive event. Join us to celebrate neurodiversity while supporting the autism community.

Event Attendance:

In our 2nd year this event grew to over 600 participants.

Your Impact:

With your help we can increase the event's attendance and awareness of neurodiversity. In addition, you will be helping us to achieve our mission.

Our Mission:

Our mission is to bridge the critical gap in the autism community by empowering youth and teens as they transition into adulthood. Through life skills training, job readiness, social opportunities, and career guidance, we will provide individuals with the tools and confidence to build meaningful, independent futures.

Founder's Story:

Uniquely Autism was born from personal experience and a deep desire to create real change. Camelly's autism journey began when her daughter, Luna, was diagnosed at the age of two in 2022. Navigating the challenges of finding the right support and resources for her opened Camelly's eyes to the realities many families face—and it ignited a fire within her to do something more.

As a runner, She initially set out to create a 5K event to raise funds for local nonprofits serving the autism community. However, it quickly became clear that there was a significant gap in services—especially when it comes to supporting individuals as they transition into adulthood. Trusting that instinct, She took a leap of faith and founded Uniquely Autism. In August 2025, we proudly received our 501(c)(3) status.

Her vision for Uniquely Autism is to help create a smoother, more supported path into adulthood for neurodiverse individuals and their families—fostering independence, confidence, and opportunity.

We are a young nonprofit with big dreams and an even bigger heart, and we are incredibly excited for what the future holds.
